Customer Reviews

Rand McNally's Zip Code Finder is a must-have book.Now that my friends and I are out of college and locatedall over the US, keeping in touch becomes more and more challenging! With the Zip Code Finder, I can make sure they always get their letters, holiday cards and gifts, no matter where they move to. But it's not just for cities; there are also codes for colleges, hotels and other services, as well as regional area codes listed over detailed city and county-level maps. There's even price information for postal and many private carriers. The Zip Code Finder is simply an invaluable resource to keep alongside your address book; I highly recommend it!
