Scholastic Explora Tu Mundo: Dinosaurios: (Spanish Language Edition Of Scholastic Discover More: Dinosaurs) (Spanish Edition)

Synopsis

Favorite topics in active and interactive print and digital books, specially designed for newly confident readers. Within the last five years, more has been discovered about dinosaurs than ever before. By commissioning brand new digital images and talking to 'in the field' paleontologists, DINOSAURS is not only up-to-date, but stunning to look at. The book is ordered chronologically and gives the best, current information about which dinosaurs lived when, and what each was like. Details of the fossil record encourages budding paleontologists to think about why we know what we know, and make discoveries for themselves. The book ends with an interview with a dinosaur expert, a look at some dino record breakers, and insight into what happened to the dinosaurs. Durante los últimos cinco años se ha descubierto mucho más sobre los dinosaurios que nunca antes. Con imágenes digitales e información de último momento, DINOSAURIOS es simplemente un libro fabuloso. El libro presenta la información cronológicamente y brinda lo más reciente acerca de estos increíbles animales.

Customer Reviews

This is for an Intermediate or Advanced Spanish reader. It has a lot of facts about Dinosaurs.

Younger kids might struggle because there are a lot of technical terms pertaining to the Dinosaurs and a great deal of information to absorb.

My bilingual son totally loves this book!! Very vivid pictures and descriptions. Great find!

Muy educativo con mucha informacion. Le encantara a los que admiran el mundo jurasico.

INTERESANTE

I got the book to be able to read an unique topic in Spanish as I try to push my level farther into advanced. It was very informative! Exactly what I was wanting!
