Hockey Canada's Learn All About Hockey: Color And Activity (Rule 1, Sports Color And Activity Books)

Synopsis

Learn All About Hockey introduces young hockey enthusiasts to the game and does so through interactive pages that provide young players with the opportunity to colour in pages, follow mazes, complete word searches, spot the difference puzzles and more. All details of the game from the dimensions of the ice surface to the rules are included with images of referee hand signals for penalties, off sides, goals and more. Players are also introduced to each piece of equipment and taught about its use. The book follows two teams as they compete in an action packed game and in the process, kids will enjoy reading this exciting hockey story, while enjoying the ability to interact in the fast paced world of hockey. The book is fully endorsed and licensed by Hockey Canada, which demonstrates that the level of content is suited for all players and properly represents the game.

Customer Reviews

What a great purchase! My 9 year old loves hockey. This book is filled with activities and coloring pages. He also gets to learn some of the calls and penalties. And these aren't cheesy coloring pages, very detailed . GREAT JOB!!!

My son is a new hockey player (he's only 6) and some of the activities are a bit too old for him but this is the best activity book I've seen. It has penalty hand signs, pieces of equipment, and lots of

activities to keep even older kids happy. I love it and I only wish I had ordered two.

This is a great gift for a young hockey player...it's printed on good quality white paper , which makes the illustrations stand out nicely. Lot of fun action pictures to color and some activities , too.

Interesting info about the game , also. Explains all the penalties , etc. Fun for any age , easy reading ages 6-10

My nephew loves looking for the box to come in the mail. He said this book is awesome and has some great games in it.

Horrible graphics blurry... Not worth it Can't even color because pictures are so blurry
