## Customer Reviews

These books are great stepping stones from short books to chapter books. Watch, the dog, makes the reader laugh. IF the child like the story, these stories give great background knowledge for the Boxcar Children chapter books.

love this book both of my twins have read this book. sone loves these books ...bought 1-12 ....and just moved on to the boxcar set. He loves trains , this is perfect reading for my son.

Came as listed. Great to find cheap books for students especially since I have so many levels of readers in my room.
