Customer Reviews

I enjoyed this read and thought it to be very infomative of the United Methodist Church. Yes! I also enjoyed the author's humor. I reccomend this book to any one seeking information on the United Methodist Church.

This is an excellent opportunity to learn the basics about the United Methodist Church. If you have ever felt that you would be embarrassed by participating in the church because you did not know its traditions, this book is for you.

Great book, mostly humorous but also some serious stuff about church that all followers should know about. I strongly recommend this book!

If you read the review of this book in the UM Reporter, you were misled. Not worth the purchase price. A ho-hum view of United Methodist insiders. We are a lot funnier than this!

Very informative, humorous, not cut and dry like many books. Thanks!!

Having so much fun with this book.

Great book! (Not to be confused with The Good Book.) I have my own copy, and I've given a few away to those who wanted to know more about the UMC. The paper copy is out of print but there are still some available on the aftermarket. The Kindle copy works okay on the older Kindle reader, even better on tablet.

Terrific! Seemed brand new.
