Amazing book on the supernatural power of God from my spiritual father, Apostle Guillermo Maldonado. Everything in this book is 100% true, real, and proven steps to walk in God's supernatural power. I will advise you one thing though, PRACTICE what is written here. Don't just read about praying for the sick and then say "wow, what a great point! How amazing! Praise God!". NO! Grab a person you know or go up to someone in the street with a limp, wheel chair, or walking cane and tell them "hey, is it ok if I pray for you? I know that God can heal you!" Practice what's in there, forget about how anointed you "think" you are or maybe you don't think that God can use you at all. Just DO IT! Listen to Nike :) God bless you, and read this book, and practice what's in there.

This book is a **MUST HAVE** for anyone seeking to experience a real relationship with God. It is filled with wisdom and supernatural power. The author is a God fearing man. This book has brought change to my life, it gave me revelation that I am a miracle and that God is a supernatural God. You feel the Holy Spirit in every page of this book! This book a blessing to my life!

This book was amazing. I received an impartation while reading the book. I also could see the glory cloud as I was reading. It actually filled my room in a mist form. I was in awe and I will never be the same.

This book is a must read! The author is full of revelatory knowledge, and it shows through immediately upon reading all the way till the end! You will never be the same! It will make you want to seek God more in order to walk in the supernatural power that He destined us to walk in! Thanks Pastor Maldonado!!!

Although I haven't finished the book yet; from what I have read and looking ahead it is what the "real" Christian church should be according to God's plan. The author writes from personal experiences in the power of God.

I've read lots of spiritual books but this one is super-anointed. The Apostle Maldonado is at the forefront of the new movement of using signs and wonders the way Jesus did in biblical times. This book explains how to get anointed and walk in the glory. Many books talk about it, this one shows it step by step. There's a reason the Apostle Maldonado has the largest growing church in South Florida. In tough economic times he teaches that being a believer is more than waiting for salvation in the next life. He teaches people how to experience healings, signs and wonders right here in this life. This book is also anointed and I believe anyone who reads it will get super charged blessings out of it. In fact one of the exercises in this book was instrumental in my own spiritual/physical healing. Praise God for this book and the Apostle Maldonado who is a perfect vessel for Jesus. Get this book!

I agreed with every word in this book. I am always searching for people who are as hungry and passionate for God as I feel I am, and this man fits that bill. He so longs for people to be on fire, and to experience God's power and see it manifested in their lives. I just loved reading him. I probably will visit his church because it has to be a good one. This man has an amazing anointing and

ministry, and can't be ignored.

Apostle Maldonado is God's man for this hour and this generation. The writings are Holy Spirit inspired. As I gleaned the meat of the word from each chapter it transformed the level of my spirituality and created an appetite in me to seek the Supernatural Power of God in my own life. The apostle is not trying to hoard up for himself what God has given him, but is willing and ready to impart these missing dimensions to the hearts of hungry believers and inspire non-believers to seek the Master of their souls. Your investment in this material is the greatest investment you can make beside the Holy Bible. I received so much revelation from it until I purchased several for other hungry seekers.
