## Customer Reviews

Pretty cute. This book is the exact story of It's the Great Pumpkin Charlie Brown. The cover is soft and glossy, with a newer color style. The inside pages are also glossy and nicely printed. I buy my boys a book for their birthday every year. I choose the book based on the theme of their party and I have the guests that come to the party sign their book. This book is perfect as the first few pages are just a pumpkin notebook paper print. Just really nice version, with a semi old fashioned feel.

Love it as the first Peanuts Special I ever saw before reading the book (love the read too).

Can't go wrong with Charlie Brown. Thanks for sending this so quickly!

A classic for all ages. My grandkids love it.

Who doesn't love this classic!
